OFFICE OF THE STATE CONTROLLER RECEIVES OUTSTANDING ACHIEVEMENT AWARDS FOR FINANCIAL REPORTING

June 2, 2015 – Contact: Sherri Johnson 919-707-0753

RALEIGH – State Controller Linda Combs announced today that the Office of the State Controller has received the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada (GFOA) for its 2014 Comprehensive Annual Financial Report, known as the CAFR. In addition, the Office of the State Controller also has received the Award for Outstanding Achievement in Popular Annual Financial Reporting for its 2014 Popular Annual Financial Report. The Popular Report provides state government's financial highlights, including information on the sources of state revenues and how those revenues are spent, in a condensed and simplified format. These awards are the highest form of recognition in the area of governmental accounting and financial reporting. OSC has received the award for the CAFR for the past 21 consecutive years and for the Popular Report for the past 17 consecutive years.

“North Carolina is one of only 10 states with a Triple-A bond rating from all three credit rating agencies,” said State Controller Linda Combs. “The accuracy and integrity with which we produce the CAFR are key reasons why North Carolina has maintained its Triple-A credit rating and has had an unqualified ‘clean’ audit since 1994.”

The State Controller is North Carolina's chief fiscal officer. The Office of the State Controller serves as an independent resource to ensure the financial integrity of the State by providing accounting, disbursing, payroll, internal control, data management, eCommerce and financial reporting systems that serve state agencies, employees and the public and by maximizing financial return through its statewide cash management plan. The OSC issues numerous financial reports including: General Fund Monthly Financial Report, IT Expenditures Report, Statewide Accounts Receivable Report, the State's Comprehensive Annual Financial Report (CAFR) as well as the short, easy-to-read version of the CAFR known as the “popular” report.
